Currently employed? (where):

hrs/wk:

1. I have a standard process but tailor this for each student.

What outcome can we achieve together that will make this process worthwhile?

2. Whenever you write to me I will always acknowledge within 24 hrs

Current Path

Career:

What career would be your first choice at this moment?

What do you like about this career?

How certain are you of this choice (1 = not at all; 10 = definite)?

What additional information would you need to decide whether this is, OR ANY career is right for you?

What did you want to be when you were 8 years old (and what made you change)?

Background

- Any siblings (younger/older)

- Any pets?

- Do you play sports (which)?

- Do you play any musical instruments?

- What careers do your parents have?

Preferences

What are your **passions**?
(what would you give up a Saturday afternoon to do, or learn more about?)

What are your **interests**?
(what would you read a non-fiction book about or do internet research on?)

What are your **gifts or talents**?
(if you do not know, ask a close friend or family member, they will tell you)

For the following questions about subjects and classes please be specific:

If you say: "Science", is that *hard* sciences (Physics, Chemistry) or *life* sciences (Biology)

If you say: "Math", is that Algebra and Trig, or Geometry, or Calculus?

If you say: "English", is that Literature, Grammar, Vocabulary, or Creative Writing?

What are, or were your **favorite subjects** in High School?

Why?

What were your **least favorite High School subjects**?

Why?

What classes, or subjects did you find to be ***easy***?

What classes, or subjects were always a **struggle**, no matter how much effort you gave?

What types of things in everyday life do you find **fascinating**?
(walking down the street, what catches your attention & you want to learn more about it?)

What are your **hobbies**?

Do you prefer solving problems with **definite** answers, like Math,
or **subjective** answers, like Philosophy?

Would you prefer to solve an **open-ended** problem,
or be **given options** to choose from?

Do you enjoy **debating** issues and trying to persuade others?

Do you enjoy **interacting** with and being around others?

Would you prefer to work on things as a **group**, or rather work on it by **yourself**?

Do you prefer to be the **leader** of the group, or **follow** and let others lead?

Do you seek **recognition** for your work, or are the **results** alone sufficient?

Do you enjoy **helping others**, even if you receive no credit or money for doing so?

Have you been on any Missions trips?

Do you consider yourself to be a **competitive** person?

What is your response when you encounter, or become engaged in a **conflict**?

Do you have any **specialized work interest**?
(Law, medicine, airline pilot, military, music, art, drama, ministry, etc.)

Do you enjoy **working with your hands**?

Do you enjoy **building** and/or **fixing things**?

Do you prefer to **do the work yourself**, or **supervise/manage** others to get the job done?

Would you prefer to work mostly **indoors** or **outdoors**?
(if you answer outdoors, do you have experience working in hot/cold/inclement weather?)

Would you prefer to work in an environment where you are **around others**,
or work somewhere where you are mostly **by yourself**?

How well do you respond to **pressure**?

How well do you respond to **tight deadlines**?
(if well, is that because you plan ahead, or get an adrenaline rush as the deadline nears?)

Do you prefer working on a project with a **definite** timeframe, or **open-ended**?

Are you good at making **snap decisions**,
or do you prefer taking time to **thoroughly analyze** all of your options?

Do you enjoy having **responsibility**?

Do you prefer to **give** or **receive** orders?

Is it important for you to **see the results of your labor**,
or are you OK with **planting a seed** that may not produce results for months, or years (or ever)?

How well do you respond to **constructive criticism** from those you respect?

Do you enjoy **public speaking**?

Do you enjoy digging into the **details of work** or do you just want to “get it done”?

Do you prefer to **build something from scratch**,
or would you rather **improve upon something already built**?

Do you prefer to work from a **checklist**,
or do you prefer to come up with your own **innovative approach**?

Would you rather be given **detailed instructions**, or **general guidelines**?

Do you enjoy **researching options** to find a way to solve a problem,
or would you prefer being given a task whose path is **already defined**?

Would you enjoy **working with customers**, even if they are angry or critical,
or would you prefer to work **in the backroom**?

Would you prefer a job with a **steady, predictable income,** or one with a **variable, but potentially larger income?**

Do you enjoy **being in the spotlight**, or would you rather work **behind the scenes**?

Would you prefer a job with **rigid hours**, or one where you can **set your own schedule**?

Which makes you happier, the **quantity** or **quality** of the work you produce?

Would you like a job with lots of **overnight travel**, or do you want to be home most nights?

Do you have any **geographical preferences,** or **limitations** for where you will work?

Assuming you will make enough money to support yourself and your family,
would you sacrifice family time in order to earn **LOTS** of money?

Do you enjoy visiting and experiencing **different cultures**?

Do you consider yourself to be organized?

Do you enjoy planning things in your life?

If you were wealthy enough right now that you **never had to work another day in your life**, how would you spend your time?

What does money mean to you?

Describe your ideal lifestyle 10 years from now?

What was it that you did in your life that you felt most fulfilled,
either while you were doing it, or after you completed it and why?

College or Training

Training

If your ideal career involves additional schooling, what is **max # years** you'd be willing to do? (HS, certificate, 2 yr, 4 yr, >4 yrs)

If your training requires going to a 4 yr school, what is your **initial school choice**?

Why?

How certain (1 = not at all; 10 = definite)?

What does college mean to you?

Would you be willing to attend Community College?

If you go to a 4 year school, do you want it to be Christian, or don't you care?

If you did go to a 4 year school, would you prefer to:

- Live on Campus
- Live at home and commute
- Live at home and attend online

Would you want that school to be close to home (< 2 hr drive) or further away?
